ABOUT POSITIVELY MOXIE

Molly (a junior high school counselor and former elementary school teacher) and Jill (a school-based occupational therapist) have teamed up to empower teachers, counselors, therapists, and parents who want to teach young people the skills needed to better coach their brains for greater well-being and resilience.

We are influenced by the science of positive psychology, counseling techniques, self-regulation, cognitive behavioral therapy, sensory processing, executive functioning, and brain science! We understand our students and youth need as many “tools” in their toolbox as we can give them.

Molly and Jill are passionate about creating relevant, high quality, and actionable resources to address well-being and resilience skills for students!
